BOTTLED: December 2019 | PRODUCTION: 500 cases

Price \$22.95

WINEMAKING

Our Verde is produced from an early harvest of Chardonnay. After a short, cold fermentation in stainless steel, the wine receives a small dose of carbonation.

TASTING NOTE

This wine's combination of low alcohol, high acid, and slight spritz make it a great companion to warm weather or any occasion where an easy drinking, refreshing glass of wine will do. Serve well chilled for best enjoyment.
